Social Perception of Science and Technology Survey - TR25

Controller	Fundación Española para la Ciencia y la Tecnología, F.S.P. (hereinafter FECYT), Pintor Murillo Street 15, 28100 Alcobendas (Madrid, ES).
Data Protection Officer	dpo@fecyt.es
Purposes of the processing	Conducting studies and surveys on the social perception of science and technology to understand citizens' attitudes, opinions, interests, levels of scientific literacy, and barriers to access and participation, with the aim of designing, guiding, evaluating and improving public policies and initiatives relating to scientific culture, science communication, citizen participation, and the promotion of public engagement with science, technology and innovation.
Categories of data subjects	GDPR: 6.1.a) The data subject has given consent to the processing of his or her personal data for one or more specific purposes. GDPR: 9.2.a) the data subject has given explicit consent to the processing of those personal data for one or more specified purposes, except where Union or Member State law provide that the prohibition referred to in paragraph 1 may not be lifted by the data subject.
Categories of personal data	External persons
Categories of recipients	Personal identification: First name, Age, Unique personal identifier, Nationality, Gender Contact information: Address, Telephone number Education and skills: Qualifications, Academic record, University degrees, Education and training history Employment information: Previous employment history, Job title Financial information: Income level Special categories of personal data: Religious beliefs, Political opinions, Health data
Source	The data subject.
Categories of recipients	The data obtained through the survey are published on the FECYT website once they have been anonymised.
Transfers of personal data to a third country or an international organisation	Does not provide for international data transfers.
Time limits for erasure of the different categories of data	will be kept for the time necessary to fulfill the purpose for which they were collected and to determine the possible liabilities that could derive from said purpose and the processing of the data. The provisions of the internal file and documentation regulations shall apply. Where processing is legally based on consent, the data will be preserved while data subject does not withdraw consent, or does not execute a suppression or opposition right.

General description of the technical and organisational security measures	The security measures correspond to those provided for in Annex II of Royal Decree 311/2022, of 3 May, regulating the National Security Framework and are described in the FECYT information security policy.
