Data Protection Officer	<p>EUR - Project coordinator: it.servicedesk@eur.nl</p> <p>FECYT: dpo@fecyt.es</p>

Purposes of the processing	<p>Communication and dissemination activities will ensure high visibility of the CC and Academy activities, services and resources throughout the ERA, as well as enabling mutual learning about good scicomm practice with a wide range of consolidated and emerging actors. Specific objectives are:</p> <ul style="list-style-type: none"> - Build the profiles of the CC and Academy, raising awareness of their activities and priorities. - Highlight materials and activities available including the scicomm tools, the library of resources (including the handbooks), as well as the training available in a way that is flexible and responsive to critical situations. - Involve and activate N&R hubs / other international networks in co-producing materials and support the sharing of information and knowledge by disseminating through their communication channels and events. - Organise a series of high-profile events that provide an opportunity to celebrate successes, showcase tools and resources and provide taster sessions of training to mainstream the CC activities.
Categories of data subjects	GDPR: 6.1 a) The data subject has given consent to the processing of his or her personal data for one or more specific purposes.
Categories of personal data	Participants in events and congresses.
Categories of recipients	<p>Identification: Name and surname, Postal address, Email, Image / voice.</p> <p>Employment details: affiliation, occupation.</p> <p>Personal: age, gender.</p>
Source	The data subject.
